

Pride™ Performance Triple Action Cleaner

INDUSTRIAL / INSTITUTIONAL / COMMERCIAL CLEANING & DEGREASING CONCENTRATE

- Powerful cleaning and degreasing without hazardous chemicals
- Completely removes oily greasy soils, carbon, soot, grit and grime
- Safe to use on any water-washable surface or material
- Readily biodegradable and solvent(VOC)-free for clean water and air
- Non-corrosive and non-toxic for employee safety
- Rinses quickly for residue-free surfaces
- Retards post-cleaning rust and oxidation
- Does not interfere with wastewater treatment
- Works in manual, mechanical, and pressure washing applications

- Lifts / Pumps
- Process Machinery
- Excavators
- Construction EQ
- Farm / Turf EQ
- Hydraulic / Pneumatic EQ
- Recreation / Sports EQ

Now you can safely clean all your equipment, vehicles, and facility with one product. Pride Performance Triple Action Cleaner is an extremely effective cleaner and degreaser for industrial, institutional, and commercial applications. Pride Performance is an aqueous blend of biodegradable surfactants, detergency

builders and buffers, water conditioner, and corrosion inhibitors that are classified as non-hazardous. Pride Performance is VOC (volatile organic compound) free and does not contain any corrosives, etchants, solvents, or flammable materials making it exceptionally user and environmentally friendly.

PRIDE PERFORMANCE TRIPLE ACTION CLEANER

COMPARING PRIDE PERFORMANCE TO OTHER CLEANERS

If you're looking for safety and performance, consider the following information:

Use Pride Performance for all your cleaning tasks with complete confidence. Simply wet the surface or material with the recommended dilution, wipe or scrub as required, and rinse with water or wipe clean.

Heavy Degreasing Soot Removal Brake Dust

Apply full strength; allow to penetrate the soil; scrub & rinse, or power rinse

Heavy Duty Cleaning Parts Washers Concrete/Asphalt Field Equipment

Dilute with 2-3 parts water; use with brush or sponge; rinse

General Cleaning Vehicle Cleaning

Dilute with 5-10 parts water; use with brush or sponge; rinse or wipe

Light Duty Cleaning Power & Steam Cleaners

Dilute with up to 40 parts water; spray surface; wipe or rinse.

Pride Performance doesn't make grease run and streak like other degreasers. Dirt and grease stay put until you rinse or wipe it away. Contact time improves performance.

Characteristic	PRIDE PERFORMANCE	"Non-Toxic" GREEN	Typical PURPLE Ind. Degreaser
Biodegradable	YES	YES	YES
pH as supplied	9-10	8.5-10	13
Corrosive Ingreds.	None	None	Yes

Skin Damage	No	No	Yes
Breathing Irritant	No	Yes	Yes
Safe To Use On			
Aluminum	Yes	Yes	No
Painted Metal	Yes	Caution	No
Plastic/Rubber	Yes	Caution	No
Vinyl/Leather	Yes	Caution	No
Auto/Boat	Yes	Yes	No
Wood	Yes	Caution	No
Fabric	Yes	Yes	No
Home Surfaces	Yes	Caution	No
Steel/Iron	Yes	Yes	Yes
Chrome/Brass	Yes	Yes	No
Concrete	Yes	Yes	Yes
Finished Wood	Yes	Caution	No
Tile	Yes	Yes	Yes

PRIDE PERFORMANCE goes beyond "non-toxic", "non-corrosive" and "biodegradable". There are no VOCs that can be harmful or irritating to breathe, and harmful to some surfaces.

Unlike most prominent brand cleaner/degreaser products (check out their label precautions), you don't need to worry about surface damage. So use it on any washable surface including plastic, rubber, fabrics, painted surfaces, aluminum, vinyl & leather, finished wood, and many other materials.

HANDLING AND SAFETY INFORMATION

Refer to PRIDE Performance Material Safety Data Sheet (MSDS) for proper handling and safety information.
